

To whom it may concern,

All4Business, as owner of BigBuy states and confirms that the company of **Digitalmj Ltd (with ID/VAT 15289529)** owns an active wholesale pack subscribed to BigBuy, which allows purchasing any product from our catalog at Distributor Price and reselling products, as well as using the images provided by us with commercial purposes:

This relationship is based on and driven by BigBuy's general conditions available and accessible on www.bigbuy.eu and will remain for as long as the subscribed wholesale pack is active. As attachment the invoice for the last renewal of the wholesale pack (**SRVBBVD/24/005283**).

All products comply with EC regulations and are shipped from our warehouse in Europe. We also confirm that all first brand products are original, and include all the certificates and warranties offered by the brand in its original packaging. All the licensed products have been produced under their corresponding license as certified by our suppliers. White label products have been manufactured under an OEM license, have been duly imported and can be marketed without restriction within the EU.

All of the above statements apply to all our catalog,
